Theory of the firm: Managerial behavior, agency costs and ownership structure

Theory of the firm: Managerial behavior, agency costs and

Managed services is the practice of outsourcing on a proactive basis certain processes and functions intended to improve operations and cut expenses. It is an alternative to the break/fix or on-demand outsourcing model where the service provider performs on-demand services and bills the customer only for the work done.. Under this subscription model, the client or customer is the entity that ...
