Piano pedagogy is the study of the teaching of piano playing. Whereas the professional field of music education pertains to the teaching of music in school classrooms or group settings, piano pedagogy focuses on the teaching of musical skills to individual piano students. This is often done via private or semiprivate instructions, commonly referred to as piano lessons.

Studio Business Advice with Joy Morin. Today's short video is a "case study" of two teachers! They both lived in the same town. They both started their studios at the same time. But after a year or two, one was making more money in their teaching studio. Why? That is the topic of today's video with my friend, Joy Morin (of the Color in My Piano blog).
